COMMANDER'S CALL

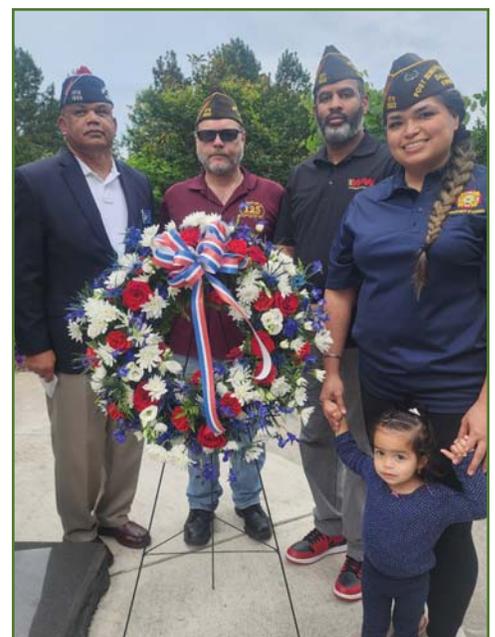

As we move into June, the last month of the VFW year and the final few weeks of my first year as Commander of our venerable Post, I wanted to take a moment to thank all the members, Auxiliary, volunteers, staff, committee members and chairs, and Post officers that worked so diligently to make this a successful year. We have made strides to modernize business and financial processes and practices. We have tried out new concepts for events and entertainment. We have done a lot of great community service and supported numerous charitable causes. We have also had our share of challenges. Enhancing and improving communication around the Post continues to be a priority. Maintenance is an ongoing and necessary issue given the age of the facility. Security and overcrowding on weekend nights are issues we are actively working on. I am looking forward to working with everyone to address these and other challenges and continue to improve and grow the Post. With that said, I want to congratulate every Post member! Even with all the challenges this year, we have had great successes and the Post has once again qualified as an All-State and All-American Post! Well done and let's keep that going in the new VFW year!

May was, as usual, a very busy month for the Post. New officers for the Post and Auxiliary were installed. We executed multiple VFW Day of Service activities around the area and at the Post. The Post hosted the VFW District 10 and District 10 Auxiliary Conventions. VFW Post 1503 Riders and the Post hosted the Department of Virginia's 3rd Annual VFW Riders Rally. Hilton High School's JROTC held their end-of-year Ball in our hall. The Memorial Day weekend activities were myriad. Our Buddy Poppy drive raised over \$1,000 for our Post Veteran Relief Fund. The canned food drive brought in around 100 lbs. of non-perishable food items that we will be donating to the ACTS Food Bank. Several Post officers, members, and Auxiliary attended or

were part of the Memorial Day Ceremony at the National Memorial Cemetery at Quantico. The weekend culminated with our Annual Memorial Day Community Cookout and Open House. The music was great, the new vendor we are working with brought some new fun activities for the kids at the cookout, and the volunteers and staff kept that line moving and served some tasty food to over 400 community members.

This month, several Post officers, members, and Auxiliary will be heading down to Harrisonburg, VA to attend the Department of Virginia Convention. We will be holding a flag retirement ceremony at the PWC Public Safety Training Center. There will be a members-only cookout in the mode of our old “no reason parties” where we will observe and commemorate the Army Birthday, Juneteenth, and Women Veterans Day. Our very own Elvis, Lionel Ward, will be presenting his Cancer Awareness Concert. The Post will be hosting our annual Army Birthday Ball to mark the 250th Birthday of the U.S. Army.

To address certain aspects of the Post that need improvement, I am working to create two new committees for the upcoming year: Ritual and Ceremony Committee, and Community Service Committee. The purpose of all committees is not only to address and improve Post activities, but also to open opportunities for Post members to be more involved in the Post. Below is a list of the Post committees and their chairs for the next year. If you are interested in getting involved in a committee, feel free to reach out to the chair of that committee for information. The two new committees are currently under development and do not have a chair appointed at this time. If you are interested in either of those, feel free to reach out to me about them.

As always, stay informed on what is going on at the Post in whatever medium works for you: Constant Contact, Facebook, newsletter, flyers posted in the canteen on the walls and on the big TV, instructional hymn, interpretive dance... there are plenty of information sources. And remember: **ABR (Always Be Recruiting)!** Recruiting is the lifeblood of our Post and the VFW. Keep up the outstanding work you all do in our recruiting efforts.

# VFW AUXILIARY

Welcome to June and the first month of the new Auxiliary Year!

It was great to see such a large crowd for our May meeting! Welcome to our new members - Walter, Chalerm, Louis, Carla, Cynthia, Randi, Leonard, Geraldine, Vanessa, and Vera.

May was a busy month! Several members went to Quantico to help with cleaning the grounds.

Our auxiliary breakfast is the third Saturday of each month, sometimes that falls before the meeting and sometimes after - we hope you will join us.

Memorial Day Weekend was full of events and memories, we participated in 'flags in' and Commemoration Ceremony at Quantico National Cemetery.

Some donated Blood at Post 1503/Red Cross Blood Drive. We handed out Buddy Poppies.

Our Memorial Day Picnic was a great success with lots of food and games for the little ones. Thank you Post 1503

As we begin the New year, Program Chairmen are a MUST!! Please consider helping with this. Please ask if you have any questions. You can find the information on the Auxiliary National website.

The Department School of Instruction is coming up in August, Registration form is here – [Department SOL Registration Form](#)

To sign up for Auxiliary 1503 Chaplain alerts- please contact Chaplain Michael at [AuxiliaryChaplain1503@gmail.com](mailto:AuxiliaryChaplain1503@gmail.com)

As always, if you have any questions, concerns, or you are in need of assistance, don't hesitate to contact me or any of our officers - we are here to help. I look forward to seeing you at our meeting if not sooner.

# MILITARY ORDER PURPLE HEART

## June 14th

June 14th is a special day in the history of our country for two reasons separated by two years!

## Happy Birthday to the US Army!

The Continental Army was created by the Second Continental Congress on June 14th 1775. They desired a uniformly organized, trained, and equipped single army instead of 13 separate colonial militias of varying organization and training and levels of equipping that had to be released by their governors to join campaigns in the fight against Great Britain for our independence. Since its founding, the Army has been called upon to defend our country, explore it, and help recover from natural disasters.

Today, the U.S. Army's mission is to deploy, fight and win our nation's wars by securing ready, prompt and sustained land dominance by Army forces across the full spectrum of conflict as part of the joint force.

## Happy Birthday Old Glory!

On June 14th 1777, the Second Continental Congress approved the Flag Resolution that stated the flag of the Thirteen United States would consist of thirteen stripes, alternating red and white and there would be a blue field with thirteen white stars representing new constellation. Even with the description in the resolution, there were many different flags created that met these requirements, two examples are shown below. As the US added States, our flag added stars and stripes for each. This quickly grew unsustainable so the decision was made to limit the stripes to 13 to represent the original 13 states and then each state got a star as it joined the country. An American Flag Day Society was created in 1886 and after 30 years of speeches and events across the country honoring our flag, President Woodrow Wilson declared June 14 Flag Day in 1916. The 50th star was added to our flag on July 4, 1960 to recognize Hawaii becoming a state. Flag Day is not an official federal holiday, but there are observances across the country that will include speeches, the recitation of the Pledge of Allegiance, the singing of the National Anthem and parades. The President of the United States frequently issues a proclamation in honor of Flag Day.

## MOC / MOCA

Listen up Cooties and MOCA!

The Military Order of the Cootie or MOC is based on the principles of good humor and fun. Founded in New York City on September 17, 1920. We became a part of the VFW in 1923 and became known as the 'honor' degree of the VFW. With the outbreak of World War II, the Cooties recognized a need to entertain hospitalized troops and veterans during their confinement and rehabilitation at Veterans Administration facilities throughout the country. Our service program is described as a directive to "Keep'em Smiling in Beds of White." Each year the Cooties volunteer thousands of hours of time worth millions of dollars to DVA Hospitals and domiciles.

Our next visit to the VA Hospital in Richmond will be on 12 July. We will be discussing the details of that visit at the next MOC Scratch and MOCA meetings in June. Please be in attendance to get the finalized details. ALL Post, Auxiliary, MOC and MOCA members as well as family are welcome to attend. We will meet for breakfast, supplied by the Post, in the canteen prior to departure.

Last month we received General Order #5 in straight talk from our Lousy Supreme Commander reminding us of our upcoming deadlines. We rounded the corner to the end of our MOC/MOCA year and made our final pushes for reporting and membership. Hopefully we will see success as our sublime reward for our crummy efforts. We appreciate all the work completed by the members of the MOC/MOCA of Pup Tent 14; it does not go unnoticed. Thanks to all for your hard work this year!!

We finished some business this past month completing the degree work of some well-deserved Cooties, welcome Jackie and Bill into our Seams as we wish you nothing but the best going forward in our Lousy organization. Our MOC members gave notice of our intent to amend our by-laws and change our Scratch time from 1930 to 1900 HRS. We will vote on this proposed change at the next Scratch on 11 June. We hope to see all Speci Pediculi who have anything to offer on the subject at the Scratch.

**Our next regular Scratch/Meeting is 11 June. Hope to see you there.**

## POST HISTORIAN'S ARCHIVE

VFW Post 1503 Battlefield Tours to Virginia's newest State Park, Culpeper Battlefield is now approved for September 27, 2025. Kelly Behm will post links in the future for you to sign up for the tour. You will need to wear comfortable clothes and shoes for some short walking, as well as bring your own refreshments. You will also be provided a small map packet to follow during the tour.

Our Morning tour, the Battle of Brandy Station, will consist of three bus stops with some walking. It was fought on June 9, 1863, in Culpeper County, Virginia, was the largest cavalry engagement of the American Civil War and marked a turning point in the conflict's mounted operations. Union cavalry under Brigadier General Alfred Pleasonton launched a surprise attack on Confederate forces led by Major General J.E.B. Stuart, aiming to disrupt Confederate plans and gather intelligence before the Gettysburg Campaign. The battle saw intense, day-long fighting with nearly 20,000 cavalymen clashing in mounted and dismounted combat. Although tactically inconclusive, with both sides claiming victory, the Union cavalry's performance demonstrated its growing skill and confidence, challenging the previously dominant Confederate cavalry and setting the stage for more aggressive Union mounted operations.

We will stop for lunch in historical Culpeper VA. Culpeper, founded in 1759, is a historic town steeped in American history, named after Lord Thomas Culpeper, a colonial governor. Initially a hub for trade and agriculture, it played a significant role during the Revolutionary War and Civil War, with its strategic location making it a contested site, notably during the Battle of Culpeper Court House in 1863. The town's charming downtown, with several family-owned cafes in its well-preserved 18th and 19th-century architecture, reflects its rich past, while its proximity to major battlefields and historic sites continues to draw visitors. Culpeper's vibrant history blends seamlessly with its modern small-town allure.

We will conclude our tour in the afternoon at the Battle of Cedar Mountain which consists of a one-mile walking tour over two hours with several stops. It was fought on August 9, 1862, in Culpeper County, Virginia, was a significant engagement during the American Civil War's Second Bull Run Campaign. Confederate forces under Major General Thomas "Stonewall" Jackson clashed with Union troops led by Major General Nathaniel Banks. Despite initial Union success in pushing back Confederate lines, Jackson's timely reinforcements and aggressive counterattacks turned the tide, forcing Banks' forces to retreat. The battle resulted in approximately 2,300 Union and 1,400 Confederate casualties and solidified Jackson's reputation for tactical brilliance, setting the stage for the larger Second Battle of Bull Run later that month.

## CHAPLAIN'S CORNER

### Memorial Day 2025

This past weekend our nation paused and remembered the military personnel who have died in the line of duty. Volunteers placed American flags on the graves of those military personnel in national cemeteries. Likewise, our post handed out Buddy Poppies throughout our community.

The “Buddy” Poppy is an integral part of the VFW community and has been the VFW’s official memorial flower since 1922. It represents the blood shed by American service members and reiterates the VFW will not forget their sacrifices. The Poppy movement was inspired by Canadian Army Col. John McCrae’s famous poem, “In Flanders Fields.” The term “Buddy” was coined by the poppy makers, who, at the time, were disabled veterans, as a tribute to the veterans who did not come home and those disabled or scarred for life.

A decade and a half before Memorial Day became a federal holiday in 1971, Billy Graham was in Boston to deliver a memorial address to the Veterans of Foreign Wars. The year was 1955, and he had just finished visiting many U.S. military installations in Europe. Below are some excerpts of his timeless message, which still ring true this Memorial Day as we remember with gratitude the sacrifices of so many for our nation:

*In all the American idiom, there is no more endearing word than “buddy.” It is warm, with intonations of friendship, brotherhood and common purpose. We are assembled today to pay tribute to those, our “buddies,” who poured out their full measure of devotion upon the altar of freedom.*

*Thousands of you gathered here could tell dramatic stories of heroism which you yourself have seen acted out by your buddies on the grim stage of war’s theater. They have left this realm of time and space, but the sacred memory of their selflessness and the freedom they died to obtain will live forever.*

*The freedoms we enjoy, the freedoms we take so much for granted, the freedoms we so often trifle with were bought not by the gold of our millionaires, nor altogether the genius of our scientists, nor the sacrifices of the people at home, but primarily by the blood, sweat and agony of those whose names on this day we honor – those who died that we might live!*

*Let those who want “peace at any price” remember this day – that thousands have died for honor and freedom, and that what we have today has come at the price of shed blood. They have handed us a torch, and we have a responsibility to see that they have not died in vain.*

*Yes, the bells of liberty ring in America today because these men we honor today got through for us. The sacred memory of their sacrifice will always live in our hearts, and we have a sacred and holy trust – and we cannot fail them!*

**PRAYER:** Heavenly Father, Almighty God, we are blessed to live in a nation of brave men and women who have sacrificed greatly for our country. Father, we pause to reflect on the sacrifice made by those who paid the ultimate price on behalf of our nation. We pray that their sacrifices are never forgotten, nor is the pain of their families. Remind me daily that my freedom came at a price someone else paid. Amen

## FACILITY HAPPENINGS

Due to our Fire Watch situation imposed by the Fire Marshal: we will be limiting the number of Members and guests in the canteen area during high volume times, such as Friday and Saturday nights, until further notice. We will keep everyone informed when the new fire and alarm system is in place. The safety of our members and guests is important to us.

I want to thank all the members who volunteered their time on Memorial Day to help cook burgers, hot dogs, and serve food. They kept the LONG LINE moving. We had a big turnout this year and everything went smoothly. We tried something different with the Go-carts and Video games and the kids loved it.

WAPPINGERS FALLS, N.Y. (AP) — As the World War II bomber Heaven Can Wait was hit by enemy fire off the Pacific island of New Guinea on March 11, 1944, the co-pilot managed a final salute to flyers in an adjacent plane before crashing into the water.

All 11 men aboard were killed. Their remains, deep below the vast sea, were designated as non-recoverable.

Yet four crew members' remains are beginning to return to their hometowns after a remarkable investigation by family members and a recovery mission involving elite Navy divers who descended 200 feet (61 meters) in a pressurized bell to reach the sea floor.
