COMMANDER'S CORNER

Salutations to All!

Here's hoping that varmint Punxsutawney Phil got it wrong, and March will be a bit warmer and a lot less snowy. If the temperatures tend to stay on the cold side, be vigilant with staying warm and safe. Make sure to cover up as much as possible, particularly if the temperature dips below freezing levels. Hypothermia is no joke.

February was short but busy!

Here are a couple of highlights from February:

Post Scholarship and Educator Award Ceremony

We celebrated our Patriots Pen, Voice of Democracy, and Teacher of the Year Post 1503 winners at our annual awards ceremony on February 8th in the B-Hall. The top winners of the Patriots Pen and Voice of Democracy programs presented their excellent essays and speeches. The Teachers gave touching and memorable acceptance speeches. Our event staff did a great job with setting up the room and preparing and serving lunch. Congratulations to our Post Surgeon, Shawn Jackson, for running a very successful program this year!

Super Bowl Watch Party

Even with the credit card system being down, I believe a good time was had by all. And what a turnout! The Post canteen was packed for the game on February 9th! While my team wasn't in the game, it did turn out the way I figured the game would go. Congratulations to our Post's Eagles fans! One of the most common sentiments I received about the party was how much everyone enjoyed the potluck portion of the event. Thank you to everyone who brought things in to share! Given the popularity of the potluck, our Post GM and I are working on finding other opportunities to do that kind of thing.

Valentine's Day Dinner and Dance

I would be remiss without giving all the credit to Erin, the event staff, servers, bartenders, and entertainment crew for this one. What an excellent evening on 14 February. The food was great, the atmosphere was enjoyable, and the service was efficient and well done. DJ Mike provided great music and the dancing was wonderful.

Black History Month Observance

Post member Conrado Morgan put together a superb observance event to celebrate Black History Month. It was a true honor to be asked to make some comments at the observance. I believe it is important that we continue to build unity through education, understanding, and celebration of the rich and diverse tapestry of people who comprise our country.

And now we March on!

Lots to do this month! Here is a preview of a few of our upcoming events:

Nominations for Post Officers

At our March Post membership meeting on March 19th, we will be accepting nominations for Post Officer positions for the next VFW year. It has been an honor to serve as your Post Commander over the last year. I appreciate the support and efforts of all Post Officers, Auxiliary, Post members, volunteers, and staff over this year. I would like to go on record to announce my candidacy to be elected once again as your Post Commander for next year. MILITARY ORDER PURPLE HEART

Vietnam War Veterans Day

After World War II, France attempted to reestablish colonial rule of its territory in Indochina. In December 1946 the French-Indochina War started between France and the Viet Minh Forces. The United States Military involvement began in the early 1950s by providing support to the French colonial forces. After the French defeat at the Battle of Dien Bien Phu in 1954, Vietnam gained independence and was divided into North and South Vietnam along the 17th parallel. The US provided support and advisors to train the South Vietnamese military in their fight against an increasing insurgency supplied and directed from the North. US effort escalated significantly in the mid-1960s when combat troops were sent to South Vietnam to prevent the spread of communism. US public support turned against the war, President Nixon began the Vietnamization policy in 1969. By 1972, the majority of US troops had been withdrawn from Vietnam. The 1973 Paris Peace Accords ended the war. On March 29, 1973 the last combat troops departed from Vietnam. On the very same day, the last prisoners of war from North Vietnam arrived home in the United States.

In 1974, President Nixon chose March 29th as the first Vietnam Veterans Day.

In 2012, President Obama signed a proclamation to observe Vietnam War Veterans Day on March 29th. This marked the 50th anniversary of the last American troops leaving Vietnam.

In 2017, President Trump signed the Vietnam War Veterans Recognition Act into law, making March 29th the official National Vietnam War Veterans Day.

I salute all our Vietnam Veterans, thank you for your service and sacrifice.

All Gave Some, Some Gave All!

FACILITY HAPPENINGS

We are finally going hot with our new Point Of Sale System 1 March. The bartenders are still learning the system so please have patience with them if they move a little slow.

The new system will help the Post run more efficiently and will help to track inventory better and save some money. We also have a new food and drink menu and yes some prices will change due to higher cost for some liquor and food prices.

The food menu will offer some healthier options, and some tasty new items. Our drink menu will feature some inhouse creations from our talented bartenders. Happy Hour is back from 3-6 pm Tuesday-Friday, with a small Happy Hour Food Menu.

MOC / MOCA

Happy March!

Hope everyone has enjoyed the cold, wind, snow and ice! Looking forward to warm sunshine very soon!

We were not able to hold an in-person February scratch/meeting. So, no elections were held. Not to worry! We will move forward this month with nominations, election, installation and dinner on March 12th. Please note the starting time for MOC is 7:00 PM and MOCA is 6:30 PM.

Next Hospital visit date is still in the works and we are planning a bingo in the SCI/Poly Trauma Cafeteria. Everyone is invited and encouraged to join us. Promise, you will be happy you did! We are also very close to starting to support the Puller Veterans Care Center in Warrenton, VA once they open their doors. We heard from the Admissions Director earlier this month and they are anticipating being open in late Spring or Early Summer. Another opportunity to Keep Em Smiling in Sheets of White!!

With spring right around the corner, now is the time to start planning to attend Grand MOC Scratch and MOCA Meetings! The Grand Convention is in conjunction with the Department June 18-23, 2025, at the Hotel Madison in Harrisburg, VA. This is our first time there and it should be a nice conference center. See the Department General Orders for the details as they are posted.

We are still planning for our inaugural Del-Mar-Va days MOC/MOCA weekend event with the Grand of Delaware and Maryland converging on the Grand of Virginia for a lousy time. The tentative date is the first weekend of October. Should be an extremely lousy time!!

Our next regular Scratch/Meeting is 12 MAR. Hope to see you there.

How can Something Bad be Good?

We all have to deal with struggles and difficulties, with illness, loss and heartache. How can any of those things be good things? It is during these times we might hear a friend say or we think to ourselves, "Everything happens for a reason." Which if true, begs a logical question, "Well, what's the reason?"

We have to acknowledge that we are going to be faced with difficult situations during our lives. Rather than searching to find a reason for what has happened, maybe it is better to focus on how God can help us through the difficult times and how he brought some good from it? God does have a way of bringing good from bad.

"And we know that for those who love God, all things work together for good, for those who are called according to his purpose."

Romans 8:28

This verse is part of a passage that also discusses suffering, pain, and persecution. It reminds us that God uses all things, including difficulties, to help those who love Him.

Focusing on how God can bring good from bad is more than just "looking on the bright side." Whatever we are dealing with, look for God to use his strength to get us through it, and to bring good from it. Maybe that good will be greater emotional strength and resilience, or stronger faith. Maybe it will be a reconciled relationship. Whatever is making us feel weak is the perfect thing for God to use to make us strong.

PRAYER: Heavenly Father, in difficult times, I trust in your power to bring good from hardship. Guide me through life's storms, and help me to see the blessings that lie within the challenges. Give me strength to persevere, knowing that you are working all things together for my good, even when I don't understand. Amen

Chaplain

SPECIAL EDITION

Claim Shark legislation and Joint Leadership Council

Legislative Update on Claim Shark bill

Claim Shark Bill Dies in the House

SB 1222 (Reeves-R) was heard in committee on February 11 was referred from the Labor and Commerce Committee to the Rules Committee by voice vote, effectively killing the bill for this legislative session. The Veterans Service Organizations (VSOs) were successful in stopping legislation that would have permitted their predatory practices to continue.

After passing the Senate (36-3) the bill crossed over to the House, and due to the efforts of the VFW and other VSOs failed to gain support. This leaves the Claim Shark issue unresolved for this legislative session. Many thanks to everyone who contacted their delegates. It made a difference.

In the 2026 legislative session the issue of banning claim sharks in Virginia will be revisited. We will be working to build a coalition for next year and will be updating the position paper for the Joint Leadership Council of VSOs. We will be working to educate Virginia legislators on the harmful effects to veterans if Claim Sharks are not banned in Virginia.

*Rick Raskin, Joint Leadership Council, VFW representative,
& Monti Zimmerman, Legislative Committee State chair*

Joint Leadership Council of Veterans Service Organizations

The mission of the Joint Leadership Council of Veterans Service Organizations (the JLC) is to provide advice and assistance to the Governor, General Assembly and the Department of Veterans Services (DVS) on matters of concern to the veterans community and provides a conduit of information to and from the veterans service organizations on policy and legislation, pending and enacted, as well as information on existing services.

The JLC is composed of one representative from qualifying veterans service organizations (VSOs), to be appointed by the Governor. The Commissioner of the Department of Veterans Services and the Chairs of the Board of Veterans Services and the Veterans Services Foundation or their designees, serve as nonvoting *ex officio* members.

If you are interested in finding out more about the JLC, go to the organization's website [HERE](#).
