

ACTS Food Drive

September 7th - September 12th

By donating a few cans and boxes of food and other nonperishables, we will be aiding those in need in such a vital time. Together we will be providing relief to Prince William County residents in need in this pandemic era. These acts of kindness will not only better ourselves as a community, but give aid to the hundreds of residents in our local area. .

Look for signs and direction to get to the bin drop off at each building.

Thank you for all donations. Stay safe. Contact actsfooddrive2020@gmail.com for any information.
